THE SEVEN GIRLS selected for the Royal Court of the 77th annual Tournament of Roses appear for the first time in their sports outfits. In the photo (front row left to right) Carole Cota, Diane Merrill and Donna Olson. (Back row left to right) Diane Sullivan, Susan Bardin, Lana Cory and Betty Jeanne Olds, the latter of Sierra Madre.

Betty Jeanne Olds In Final 7

Queen of Tournament of Roses To Be Carole Cota

Seven pretty girls will represent the 77th Annual Tournament of Roses as members of the Royal Court, their selection being made public at Tournament House in Pasadena on Friday, November 26.

Following a breakfast at the Association's headquarters, the 25 finalists were assembled amid an atmosphere of anxiety and excitement for the important announcement. Each girl was wearing the number identifying her during the four previous judging sessions that began on November 13.

J. Randolph Richards, president of the Tournament of Roses, congratulated each girl for being named to represent the Association that stages the great New Year's Day fete and then presented each a bouquet of American Beauty roses. He then briefed them on their busy days during the coming weeks culminating on New Year's Day with the parade and game.

Listed alphabetically, the seven girls chosen for the 1966 Royal Court include the following:

Susan Bardin, 18, 541 Valido Road, Arcadia; Lana Cory, 18, 820 Genoa St.,

Monrovia; Carole Cota, 19, 5325 Loleta Ave., Eagle Rock; Dianne Merrill, 18, 1851 Brae Bunn Rd., Altadena; Betty Jeanne Olds, 19, 430 Gatewood Terrace, Sierra Madre; Donna Olson, 18, 363 S. Carmelo, Pasadena; Diane Sullivan, 19, 1255 Tropical Ave., Pasadena.

The seven girls were taken to one of Pasadena's leading stores to be outfitted with three wardrobes — sport, dressy and formal — which they are given by the Tournament of Roses to wear at their appearances during the coming busy weeks.

The members of the Royal Court attended a tea at Tournament House on Sunday with their parents. On Monday evening, they were hosted by President Richards at the same site at the traditional President's Dinner.

Association officers, members of the Queen Selection Committee attended both functions, being accompanied by their wives. The 10 members of the Queen Selection Committee sought privacy after the latter gathering to make the one big — and final — choice, the 1966 Rose Queen. The ruler over the 77th annual Tournament of Roses was announced as Carole Cota.

THE PHOTO ABOVE reveals the artist's conception of the new 7500 foot youth educational building now under construction at Bethany Church of Sierra Madre. This new structure completes a "U-shape" plan, the first phase of which was built in 1962 and appears in the background at the right side of the picture. A combination 40-car parking lot and playground area is also being built at the same time. Norman Tombs of Pasadena is the contractor.

We Made It

The final count is in for the operating fund drive of the Sierra Madre Search and Rescue Team and the quota has been made.

This is another successful program of your Sierra Madre Chamber of Commerce. Under the leadership of Frank Green, Chairman of the Merchants Division, the drive to reach \$4,000 was started with a full week dedicated as Sierra Madre Search and Rescue Week. Races to Mount Wilson, auctions and a program kicked off the drive. Now it is over and a grand total of \$4,001.76 will provide the boys with the funds to complete most any search they are called upon to execute.

It took the work of all of us to make the drive successful, and it's with great pride that the announcement can be made that "We Made It."

Now, Boys of the Team, it's up to you... "Bring 'em back alive" we are riding with you all the way.

The final list of cash contributors, those who heard the call since the last list was published are as follows:

Sierra Madre Volunteer Fire Department	Dr. Thomas R. Pickren
Robert Clark, Auto Body Shop	Anonymous
Mrs. Henry N. Wade Sr.	Sierra Madre Post Office
Senior Citizens of Sierra Madre	Gang
In memory of Emile Smith	City Refuse Service,
Mr. and Mrs. Hans Guthertz	Paul W. Thorsen
Mr. and Mrs. Ted Stetson	Councilman and Mrs. Richard King
Harold and Elsie Higgins	Mr. and Mrs. John Neal
Gail and Larry Skiles	United Republicans of California
Draper and Janet Phillips	Mary-Madeleine Lanphier
Ralph's Shoe Store	Councilman and Mrs. Frank R. Parks
Walter H. and M. F. Goodwin	M. R. de Wright

WILLIAM GOODWIN of Eagle Rock and Jerrold Laing of Pasadena, apparel arts design majors, work with art majors and models Maureen Horkner of Arcadia and Eric Gordon of Sierra Madre in the History of Costume and fashion design course at Pasadena City College.

Senior Citizens Reminisce At Recent Meeting

The Sierra Madre Senior Citizens' Club met Saturday, November 20, at the Park House. Edna Murphy was welcomed back after a long absence. Flora Riser of Washington, Penna., was a guest. Maybelle Barker was reported still on the sick list. She is missed.

Lola Bullock read, "Home Town Christmas," and President Ridgeway read, "Just Folks," by Edgar Guest. The poem describes the old fashioned photograph enlargements, that used to hang on the living room walls.

Henrietta Symonds reminisced, of the time back in 1917, when she "ducked" her great-grandparents' enlargement off the living room wall. Her grandma wept and said, "You are ashamed of my poor dead parents." Henrietta replied, "But they look so kookie" (no, that word had not been coined back then) anyway, great grandmother in her funny little cap and great grandfather in his handlebar mustache were just not "Hep" even in 1917.

New Course In Apparel Arts At PCC

Those interested in the fashion field — either as designers for volume production, or for TV and motion pictures will be glad to hear of the expansion in the offerings in apparel arts by the Pasadena City College Art Department.

To the present extensive classes in clothing construction, tailoring, pattern design, fashion modeling, and history of costume will be added for the spring semester a new course called Fashion Drawing and Rendering.

Sierra Madre Girl Candidate

Miss Marian Karbo, of 59 Esperanza St., a Mount St. Mary's College freshman, is her school's candidate for honorary colonel at the Loyola University Military Ball on Tuesday, December 7.

Marian, a 1965 graduate of Alverno Heights Academy, received honors at entrance to Mount St. Mary's and is a French major at the liberal arts college for women celebrating its 40th anniversary this fall.

Arcadia Man Seeks Board

Robert Turnley, 1014 W. Huntington Drive, Arcadia, has been nominated as a candidate for a place on the board of directors of the California Republican League.

Former Mayor Dies At 62

CHARLES H. JAMES

Charles Hedges James, manager of physician's community service of Lederle Laboratories, died Nov. 15 at his South Nyack, N.Y., home. He was 62.

Mr. James joined Lederle as a member of its sales staff in 1939. He held various sales managerial posts in the company before joining the public relations department in 1962 as manager of physician's community service.

Born in Washington, D.C., Mr. James was graduated from Carnegie Institute of Technology in 1926. While working in Lederle's West Coast operation, he was active in politics, having served first as Councilman and then as Mayor of Sierra Madre.

His survivors include his wife, Grace W.; a son, Peter W., and a daughter, Catherine H.

Services Held For R. H. Law

Richard Henry Law of 61 E. Bonita Ave., Sierra Madre passed away November 24, at his home. He was a native of Peoria, Illinois, and had been a resident of Sierra Madre the past eight years.

He was a member of Arcadia Presbyterian Church, member of Sierra Madre Masonic Lodge, Supervisor of Marine Department of Aetna Insurance Company, member of the Marine Underwriters Association and a veteran of World War II.

He is survived by his wife, Catherine E. Law; one daughter, Mrs. Virginia L. Danahey of Sierra Madre; four grandchildren; also one sister, Mrs. Claude Colomb of La Fayette, Louisiana.

Services were held Saturday, November 27, at 11 a.m. in the Sunrise Chapel Pasadena Mausoleum. Dr. J. Davis Barnard, minister of the Arcadia Presbyterian Church, officiated. Entombment in Pasadena Mausoleum.

The Sierra Madre Civic Club undertakes the maintenance of the toy center, the work of the Toy Loan, the many records to be kept, the buying of new honor gifts for the children who have earned them by a record of care and responsibility in regard to the toys they have borrowed — and the Club provides the big parties twice a year at which the honor gifts are presented to winners with much fanfare, with the

MRS. HARRY JACKSON, chairman of the committee for the Toy Loan program, and Mrs. Richard F. Jones, president of the Sierra Madre Civic Club keep busy with budget and expansion plans to meet the growth needs of the club's "project of the year."

By Mary-Madeleine Lanphier

EDITOR'S NOTE: This is the fourth in a series of articles especially prepared as a reminder to the elder generation, and information to all newcomers to our area.

In its early days, the Sierra Madre Women's Club had a Junior Division for the younger women, and these juniors were the ones who sponsored the Toy Loan program

here. In June 1944 this division of the club was discontinued. However, some 15 of the Junior members felt that the growing population of the city created a definite need for a club of younger women to do civic and philanthropic work, and so they formed the Sierra Madre Civic League, later renamed the Civic Club. It was natural that Toy Loan, to which the Juniors had been devoting themselves, should be chosen as the new group's main project. Toy Loan has continued to be a favorite among the projects of this group, and this year it was decided that it would be their "project of the year."

Basic sponsorship of the various Toy Loan centers is the responsibility of the Los Angeles County Board of Supervisors, and co-sponsored by the County Probation Department and the Federation of Community Coordinating Councils, with the aid of a local sponsor, which, in the case of Sierra Madre, is our Civic Club. Los Angeles County provides a warehouse and repair center where donations are kept and restored to usefulness, and in the process, training in the repair skills required is provided for people receiving welfare aid, who are enabled, after this apprenticeship period, to get jobs in private industry and become self-supporting.

The Sierra Madre Civic Club undertakes the maintenance of the toy center, the work of the Toy Loan, the many records to be kept, the buying of new honor gifts for the children who have earned them by a record of care and responsibility in regard to the toys they have borrowed — and the Club provides the big parties twice a year at which the honor gifts are presented to winners with much fanfare, with the

When the Juniors first became a separate organization, they flung all their young vigor and enthusiasm.

Pre-Holiday Reduction Book Sale

Friends of the Sierra Madre Library will hold a pre-holiday stock reduction book sale in the library basement on Saturday, December 4, from 1 until 5 p.m.

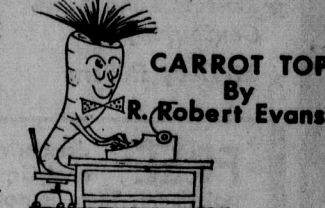

This event, the first of its kind will be for members only — however membership tickets may be purchased at the door.

Books will not be sorted and there will be many "finds" on each table.

Mrs. Perry (Dorothy) Brown, chairman of the annual book sale, presents this surprise "goodie," which may become an annual event.

SEVEN SENIORS and three juniors at Illinois College have been elected into membership for the 1965 publication of "Who's Who in American Universities and Colleges." The ten students were nominated to the national honor by a 12-member campus committee composed of faculty, administration, and student representatives. Included in the group is Robert McCall, top row center, son of Rev. and Mrs. C. F. McCall Jr. of Sierra Madre.

Some of you may have read the article in the daily newspapers last week entitled "Reversed Mental Cruelty," wherein a wife sued her husband for divorce because he was too kind to her... and to me this is certainly a switch.

Anyway for those who did not read it, the incident happened in Oakland where the woman, 60 years of age, expained to the court that her husband Carl would never let her make the breakfast coffee, did all the washing and ironing, wouldn't let her wash the dishes, jumped up and took things out of the oven when she was baking so she wouldn't burn herself and, above all things, insisted on tucking her in bed each night.

The lady told the judge that they had been married 18 months and at first she went along with his attentiveness, thinking it was a good thing... then she said that she began to feel like she was being treated like a child, and became nervous and upset.

When the judge granted the divorce he stated... "This is one of the strangest forms of mental cruelty that I have ever come across," and Judge Cooke concluded with the statement... "Some man just can't win."

A tall handsome young actor from Hollywood recently called upon the leading female psychiatrist in his city. She happened to be a spinster, but she's very well qualified.

"My problem," the actor explained, "is women." Now that certainly was a good start, don't you think? Anyway, he continued, "I think about them all the time. I find them great fun. In fact, I adore and respect women very much. I feel I'm particularly well equipped by temperament to make one very happy. From time to time I engage in fantasy-marriage. I see myself waiting on some woman hand and foot. I'm kind to her, thoughtful, considerate. I like to spend money on a woman, to dress her well, to shine in her reflected glory. I'm possessed by thoughts of pleasing a woman."

"Tell me, Doctor, what can you give me for this obsession?"... The lady psychiatrist pondered for a few minutes... Finally she said, "I'm prepared to offer \$250 a week and half of everything I earn for life."... Now, there was a gal who was really on the ball... she definitely wanted a little bit of this strange Mental Cruelty, but sometimes that's the way life works things out for you.

Students To Visit Art Museums

Fifty students of Sierra High School, Whittier, California will visit the Pasadena Museum of Art and the Huntington Galleries and Library, on Wednesday, December 1.

Under the direction of their art teachers, Mrs. Susan Ehrlich and Miss Kay Mura, the students are taken on a study tour, and will view the works on display at the Pasadena Art Museum during the morning. They will adjourn for lunch at a cafeteria and then spend the rest of the day visiting the Huntington Gallery and Library in San Marino.

Mrs. Ehrlich, who is the former Miss Susan Sparer, daughter of Dr. and Mrs. Louis Sparer of Pasadena attended the Pasadena school system prior to her marriage, and her graduation from UCLA. She says that during her high school years in Pasadena she had often visited the Art Museum and the Huntington

Library, and was so inspired by her earlier experiences that now, while teaching art at the Whittier schools she includes in her study program one visit each term to these cultural facilities in Pasadena. She has also inspired her colleague, Miss Mura to join with her class in this cultural expedition.

Republicans To Convention On December 3-5

Five delegates and nine alternates have been selected to represent the Arcadia-Sierra Madre Chapter of the California Republican League at the organization's 1965 state convention at the Biltmore Hotel in Los Angeles on December 3, 4, and 5.

Herbert J. Meier, Robert Turnley, John D. Cahill, and Harold Roach, all of Arcadia, and Mrs. Kurt Ferber of Sierra Madre are delegates. Alternates include Gerald Marugg, Monrovia; Paul Carter, Mrs. Jane Mullins, and Mrs. Jan Maddox, Sierra Madre; and Mrs. Irvin I. Livingston, Mrs. Fremont Koch, Dr. Frank Brundage, Dr. John Meehan, and James H. Hastings, Arcadia.

Highlight of the convention is expected to be a roundtable featuring leading candidates for governor and lieutenant governor with Caspar W. Weinberger, former Republican State Central Committee chairman, serving as moderator.

This event is scheduled for 1 p.m., Saturday, December 4, and is open to the general public. Candidates scheduled to appear include Robert H. Finch, George Christopher, Goodwin Knight, Joseph Shell, Ronald Reagan, Supervisor Warren Dorn, Assemblyman Robert T. Monagan, and Laughlin E. Waters.

U.S. Senator Hugh Scott of Pennsylvania will give the keynote address Saturday morning and Governor Robert E. Smylie of Idaho will be the principal speaker at the Saturday evening dinner. These two events will be held at the Rodger Young auditorium, 936 W. Washington Blvd.

The Incas of Peru would not allow potatoes to be planted year after year in the same fields because of nematodes destroying the crops.

December draft quota is the highest since the Korean War.

You and Your Neighbor . . . at Thanksgiving Time

by Mary-Madeleine Lamphier

Thanksgiving becomes a whole week's holiday for Mrs. Marian Battle, 1477 Baldwin and her daughters Mary Ann and Linda, because her sister Linda McCoy came all the way from Houston for a visit. Many will remember Marion and Linda as the daughter of George Black, who was well known as a teacher in the Monrovia schools.

Mr. and Mrs. Lewis C. McClelland, 503 Manzanita, enjoyed the holiday dinner at the home of Mrs. McClelland's parents, Mr. and Mrs. Emil Lundgren, in Pasadena. Other family members from Pasadena who joined the gathering were Mr. and Mrs. Charles Bailey, and Mr. and Mrs. Albert Bartman, with their daughters Debbie and Kathie.

Kathie Gibson, now a senior at PCC, rated youngest at the dinner served at the home of her parents, Mr. and Mrs. Philip Gibson, 524 E. Sierra Madre Boulevard. Her mother's brother and wife, the Frank De Fina's came from Rosita, and her grandmother, Mrs. M. De Fina, from Pasadena made the family gathering complete.

Gary Gaiser, now a senior at Berkeley, was able to join his parents, the Aaron B. Gaiser's, 617 Grand View for a family Thanksgiving dinner, which was also attended by their daughter and husband Mr. and Mrs. Robert Smith from Monterey Park.

Seems like half of the people at City Hall in Sierra Madre went on the coming out, turkey cooked over an outdoor fire caravan that has become an annual custom for a number of couples here. However our Chief of Police, James Bale and his wife did not go, since their children James, John, Mary and Joseph are all a bit young for such a rigorous expedition, so they had as their Thanksgiving guests our Assistant City Engineer, Larry Adams and his wife, with their very young little Kristie. They are waiting smugly to hear all the tales of misadventures in the canyons which they are sure must have occurred.

The family of Norman

Davidson, 318 E. Laurel enjoyed a truly quiet Thanksgiving, and, since Mr. Davidson is a professor at Caltech, a really welcomed respite from the young, they dined at Mammoth Mt. in while Terry, who goes to UC at Riverside, and Jeffrey, a student at PHS, went skiing with a group of students quietly at home, the high Sierras.

Mr. and Mrs. Aaron Bloom (he's president of our Sierra Madre Engineering Company, also had their own family of four at the holiday dinner Bruce, Stuart, Lydia and Richard. Stuart is a freshman this year at USC. Also as guests were Mr. and Mrs. Fred Robbins, Mr. and Mrs. Sam Sinclair, Mr. and Mrs. Robert Forrest, all of Los Angeles, and Mrs. Forrest's parents.

Even though it was "just the family" at home for Thanksgiving dinner at the Maurice J. Sullivan of 1255 Tropical Ave., Pasadena, it couldn't have been really quiet with the family's rejoining at their children's recent honors. Son Tim, a senior at La Salle, was elected cheerleader. Daughter Diane, a sophomore at PCC, carrying a full academic course despite the fact that she also puts in the hours of a full working week at the Marberry Shop in the Foothill section, has been elected as one of the seven Princesses for the Pasadena float in the Tournament of Roses. Diane graduated from Alverno Heights in June, 1964.

Four generations united happily for two families of Sierra Madre on the festive day. Mr. and Mrs. Edward Zorn of 222 W. Grand View and their daughter Edna and her husband Ralph Meador of 625 Auburn went to Anaheim to have dinner at the home of Mrs. Meador's daughter and family, the Ashford Todd's, and young Ashford IV and Sean.

Las Artistas To Plan Treat

Las Artistas, woman's art club, plans a special treat for members and friends, at the pre-Christmas meeting and luncheon, Wednesday, December 15, at Rodger Young auditorium, 936 W. Washington Blvd., Los Angeles. Luncheon at 12:15 p.m.

Lee Dunkel, president of Las Artistas, of 8551 Hanna Ave., Canoga Park, who spent 7 weeks in the Orient last summer sketching and painting on location, will show color movies and slides of Japan, Hong Kong, Macau and Thailand.

She will also show a few quick wash-in paintings that she started while on location.

The movies and slides were taken from the artists' interest or view point, rather than from a photographer's view point.

The first showing of Lee Dunkel's paintings of the Orient is scheduled for March 1966, at the Art House Gallery on La Cienega. It will be a one-woman show of 65 paintings.

Lee is now serving her second busy and efficient year as president of Las Artistas.

She also has her own studio and work shop in Canoga Park, where she gives lessons, and which is doing so well that it had to move to larger quarters this past summer.

MEMOS FROM YOUR Stylist

by LOLITA

These are changing times, we will admit, but we don't wholeheartedly subscribe to an expert's belief that the beauty shop has replaced the general store as a place to meet friends and neighbors.

In the words of the expert: "It is the neighborhood place of relaxation for harried and hurried businesswomen and housewary homemakers."

On second thought, this expert might just have something. For example, you can meet old friends and make new ones; you can relax confident in the knowledge that any personal service is going to be beautifully handled. And whether your desire is a tint, a permanent or an eye-catching hair style, you just know that you will leave with an added spring to your step and a bright new zest for living after a session at PETITE BEAUTY SALON, 185 West Sierra Madre Boulevard, Phone: EL 5-8041 . . . Sierra Madreen To Be In Choir

Appearing with the Lewis and Clark College chapel choir in the annual "Concert for Christmas" December 11 and 12 will be Stephanie Turner, sophomore from Sierra Madre. She is the daughter of Mr. and Mrs. J. N. Turner, 265 Rancho Road.

Participating in the concert are the college and chapel choirs, concert band, madrigal singers and combined college-community orchestra. As a special feature the combined choirs and concert band will present "Jubilate Deo," by Flor Peeters, and J. S. Bach's "Jesu, Joy of Man's Desiring." For the first time specially created dance routines will accompany several presentations.

Our Mayor, James F. Abernethy, had the pleasure of having his parents, Mr. and Mrs. A. E. Abernethy of Pasadena for Thanksgiving dinner at his home, and, of course, his four sons were present, too. These are, Jim, Stephen, Mark and Jon.

You and Your Neighbor ... at Thanksgiving Time

by Mary-Madeleine Lanphier

William A. Stoddard and his wife Mildred, 145 E. Montecito, and the Sierra Madre Machine Co., went to the very first Thanksgiving-at-home of their newly married daughter in San Raphael. Their son-in-law, Norman Cole, is familiar to many here as a former local resident.

The Joseph C. Heasley, Jr. family (Barbara is known for her work with the VFW Auxiliary) will wait till Christmas for their big family reunion. This Thanksgiving time they had a quiet dinner at home, with Mrs. Jennie Knight, Barbara's mother, and the pleasure, as added guests, of having friends visiting here from Fairfield, Connecticut, Mr. and Mrs. Richard Douglas.

Another couple who entertained a guest from out of town were Paul and Edith Kennedy, Sr., who were visited by Clyde Richey from Tucson, Arizona. He accompanied them for dinner when they went Thanksgiving day to the home of their goldchild Jeannette and her husband Horst Gansert in Monrovia.

Sometimes just a quiet dinner at home for Thanksgiving means none-the-less a well-filled table, as was the case for Mr. and Mrs. Easton Rhodes of 120 W. Orange Grove, Arcadia; their children are Rochelle, Linda and Larry, and for the festive meal they were joined by Mr. Rhodes' mothers, Mrs. Anne Mae Rhodes.

The family of Donald Colbert is so extensive that they split for Thanksgiving,

will foregather as a whole later on in December. For Thanksgiving the Colberts had as guests at their home at 329 W. Highland, (in addition to their own children Terry, Jaci, Betty and Mary), Pat's mother Mrs. Burnett Needer and her great aunt, Mrs. Bess Bobbin, both from Arcadia, and her grandmother Mrs. A. E. Lee, of 260 W. Highland here. Three of Donald's sisters enjoyed there gala dinner at the home of a fourth, Sheila and Val Mariotti, and Challis, in Sacramento. The visiting sisters were Sylvia and husband Pete Pederson, of Sierra Madre; Jane and John Buchanan, with Scott and Sandra; and Sylvia and Bill Guardia, with Bill and Robbie.

Dining out were Mr. and Mrs. Jackson Mead, 144 E. Highland, who joined Mrs. Mead's brother, Tony Harris and his wife at the home of Mrs. Harris' parents, Mr. and Mrs. Govorchin in San Pedro. The Tony Harris are getting impatient to make their home here in Sierra Madre, where they are already well known to residents because of their effective co-management of S.M. Hardware, but must wait till their San Pedro home sale is completed.

Another of our well-known Sierra Madre families were able to rejoice in the presence, however brief, of a son home from school for the Thanksgiving holiday. Dave Hopper, son of Byron and Thelma Hopper, of 537 Sierra Madre Blvd., is now a senior at Berkeley, but he managed to get home for that memorable meal.

Double Ring Ceremony Unites Linda Jean Jordan, Jack David Brady Nov. 27

MRS. JACK DAVID BRADY
... nee Linda Jean Jordan

An impressive double ring ceremony united Linda Jean Jordan and Jack David Brady in marriage on Nov. 27 in the Herrick Memorial Chapel, Occidental College, in a lovely late afternoon ceremony at 4 o'clock, with the Rev. Donald H. Ostrander of the Trinity Presbyterian Church in Pasadena officiating.

Linda Jean is the daughter of Mr. and Mrs. Wilbur Dwayne Jordan of 3325 Primavera St., Pasadena, and Jack David is the son of Dr. and Mrs. John Harry Brady of 2119 Hyde Way, Visalia, Calif.

The bride was given in marriage by her father in the presence of 400 guests in the elegantly red and white decorated chapel. Mr. James Livengood was the organist.

For her wedding the bride chose a formal gown of white peau de sole, with a bodice of re-embroidered French alencon lace. The bodice featured empire styling and elbow length sleeves. The graceful shape of the slim skirt was accented with a full chapel train. A white peau de sole rose with tulle petals held her illusion elbow length veil, and her bride bouquet was a cascade of gardenias and red roses.

The bride's sister, Mrs. Susan Jordan Morgan, served as matron of honor, and the bridesmaids were Miss Anne Louise Bersinger of Los Angeles, Mrs. Linda Smallman Jekel of Tucson, Ariz., Miss Carolyn Heid of San Jose and Mrs. Jamie Price Steel of San Francisco.

The bride's attendants were gowned in full length dresses designed with empire styling and elbow length sleeves. The ruby velvet bodies contrasted the white crepe skirts which featured full length panels down the back. The bridesmaids carried arm bouquets of white carnations and red celosia. The matron of honor carried an arm bouquet of white carnations and red roses.

Serving as best man was James Richard Brady, brother of the bridegroom from Visalia. The ushers were Robert Cruickshank of Hayward, Jerry B. Rivers of Davis and John C. Whitworth of Fresno.

For her daughter's wedding, Mrs. Jordan wore a royal blue crepe sheath dress and lace overcoat with matching accessories. The bridegroom's mother, Mrs. Brady, wore a light blue net dress with beaded jacket and silver accessories.

Following the wedding, a reception was held in Herrick Hall, Occidental College, and the five-tiered white wedding cake with cascading red flowers dominated the beautiful table, and red cranberry punch was served.

Assisting at the reception were the Misses Shirley and DeLora Kay Deal, Lynne

Polly and Christina Soeten. In charge of the guest book was Mrs. Mervyn H. Blas.

The newlyweds left for a honeymoon trip to the Hawaiian Islands, and for her going away suit the bride wore a two-piece suit of royal blue silk with matching hat and black peau de sole accessories, and she wore a corsage of red roses and gardenias made from her wedding bouquet.

The couple will be at home at 903 Divina Vista Ave., Monterey Park, after Dec. 5.

Additional out-of-town guests attending the wedding were the bridegroom's aunts and uncles from Visalia, Calif., Mr. and Mrs. Merle Harp and Mr. and Mrs. Richard Brady.

The bride is a graduate of Pasadena High School with the class of 1960, and a graduate of Occidental College, B.A. degree, majoring in psychology. She is past grand worthy advisor in California, International Order of Rainbow Girls, and is employed by Pacific Telephone Co.

The bridegroom is a graduate of Redwood High School with the class of 1960, and is a graduate of San Jose State College, B.S. degree in chemistry. He is a member of American Chemical Society and is employed by Hughes Aircraft Co. as a chemist.

Musical Jrs. To Hold Meet

The Tuesday Musical Juniors will hold their meeting in the main lecture room of the Pasadena Public Library on December 4 at 10:30 a.m.

The program, arranged by Lynda Beumee will include duo-pianists Lucy Dagget and Laurie Macklin. Also participating will be pianists Cheryl Niederman, Kenn Fils, Allison McNeely, Gulamar French, Betsy Shuster, accompanied by Philip Crowley, Louanne Corner and Hannes Vogel (who resides in Sierra Madre.)

In one form or another about 7.3 pounds of peanuts are consumed by each U.S. citizen yearly.

such a pretty robe for
chilly nights and mornings...

Snuggle up... be warm and comfortable in this delightful cotton flannel robe. Practical, hand washable... perfect for early risers... for TV time at night. Youthfully fashioned, wrap-around, in pretty, soft-toned flower-sprinkled prints. Has handy patch pockets and adjustable sleeves.

Festivities Has Begun For Fibrosis Guild

Christmas festivities began for the Cystic Fibrosis Guild Sunday, December 5 at 5:30 p.m., when one hundred members and guests will gather at the home of Mr. and Mrs. Richard Eschenshade for the annual Christmas cocktail party. Mrs. Matthew Slavin, chairman, and her committee, Mrs. Jack Parth, Mrs. Sanford Bennett, and Mrs. Vincent Feehan have invited the associate members, La Boutique members, and the Las Sequitas Workshop as special guests to the affair.

Our Junior Guild, the Robins, led by Miss Carol Carley, president and Mrs. Wells Pleas, Guild advisor, will enhance the beauty of the hostess' home by providing special Christmas decorations for the evening.

Bloodhounds are of a gentle disposition.

Horseflies abound the world over.

Rice Institute is at Houston, Tex.

Just Some Thoughts

This holiday season, with gatherings of friends and relatives around the festive board, always brings back pleasant memories, especially augmented by the aroma of the turkey and 'fixins'.

Do you remember the days when the home kitchens exuded the delightful odor of freshly baked bread . . . when the little candy store smelled like one, with the chocolate, vanilla, butter, milk and fruits cooking and cooling in the back room providing a real mouth watering odor . . . and the butcher shop with piles of weiners, hunks of bologna and all manner of sausages in bulk, really developed an appetite through the magic of smell . . . these and lots of other wholesome and exciting odors and just about a thing of the past.

Better sanitation, health codes and enlightened marketing have made them passe, but the advantages to our health have, no doubt, offset these pleasantities of by-gone years.

But there are still some nostalgic smells around . . . a 5 and 10 still smells like it always did . . . new automobiles still smell new and hamburger and hot dog stands still have that come on smell!

And what about drug stores . . . or pharmacies as we prefer to call them today? With the elimination of a large part of the compounding of prescriptions and the manufacturing of basic ingredients for them, we have lost some of that unmistakable smell of the old time apothecary shop. It is said that the modern pharmacy has progressed in direct proportion to the disappearance of the "drug store smell," but we at **HARTMAN PHARMACY** like to think that, in our 56 years here in Sierra Madre, we have made the "progress" without losing our image as the Village Apothecary. Come in and see us, we'll be glad to talk old times and new with you. Our staff is at your service 24 hours a day and 7 days a week for any emergency that may arise.

Annual Buffet Supper To Be Held Dec. 4

An annual Christmas buffet supper will open the holiday season officially for members of the Pasadena Alumnae Association of Kappa Delta, their husbands and guests on Saturday, December 4. The party will be held at the San Marino home of Mr. and Mrs. Frank W. Abbott, 1370 Avonrea Road. Greeting guests at the door will be Mrs. Daniel R. Chute, president. Members will donate trays of favorite hors d'oeuvres for the 7 o'clock social hour and a catered beef stroganoff dinner will follow. Mrs. Robert W. Morris, Pasadena, is chairman.

Family Reunion

A family reunion was planned and held over the Thanksgiving holidays at the home of Mr. and Mrs. C. C. McDaniel of 187 N. Adams, Sierra Madre. Those gathering and sharing this happy occasion were Mr. and Mrs. Gene W. Jolla, Mr. and Mrs. Richard DeVaughan and David of Arcadia, Mr. and Mrs. Robert McDaniel and Michale of Altadena, Mrs. Kay Nixon of Fullerton, and Mrs. Adele Mott.

Dinner

Phi Delta Rho Chapter of Beta Sigma Phi is holding a Progressive Dinner on Saturday evening, Dec. 18. The members and their escorts will ride from one house to another, having a different course at each house. After dessert, the chapter will have its annual Christmas Party.

The Pentagon has six cafeterias, eight snack bars and two restaurants in which to feed 27,000 workers.

Membership Coffee To Be Held Dec. 8

The Shakespeare Club of Pasadena is holding a Friendship Coffee Hour for new members to be held at Stratford House at 10 a.m. on Wednesday, December 8. Mrs. James C. Chambers, president of the Shakespeare Club, will introduce the executive board of the club and Mrs. Harold D. Wiener, vice president and curator of departments, will present the department directors.

Mrs. George A. Thale, chairman, and Mrs. William C. Ricks, membership chairman, will be in charge of the coffee hour.

Club proceedings and activities will be presented to the following new members: Mrs. William Ansie, Mrs. Marie D. Arthur, Mrs. J. Walter Dickson, Mrs. William Elliott, Mrs. Arthur Field, Mrs. Harry A. Ferguson, Mrs. H. D. Kendrick, Mrs. Charles Kenward, Mrs. Donald R. La Motte, Mrs. Duane G. Merrill, Mrs. Wendell B. Miller, Mrs. Frances B. Pritchard, Mrs. Ernest E. Randle, Mrs. Iris Rice, Mrs. Homer K. Smith, Mrs. Ronald F. Starnard, Mrs. J. C. Thomas, Mrs. A. Mervin Timm, Mrs. John E. Vidic, and the Misses M. E. Godfrey and Olive Hill.

Annual Party To Be Held December 7

The Shakespeare Club of Pasadena is featuring its annual Birthday Party at the luncheon meeting on Tuesday, Dec. 7, in the dining room of Stratford House. Mrs. James C. Chambers, president of the Shakespeare Club, is being honored at this time, inasmuch as her birthday falls during the month of December. Mrs. Chambers' birthday is of special significance as she is not only a native daughter of California, but she also is a native daughter of Pasadena. At this special birthday celebration each club member sits at a table which corresponds to the month of her birth.

The Rev. James F. Patten of the Knox United Presbyterian Church will give the invocation at the luncheon meeting. The luncheon program will be presented by the Drama Department of the Shakespeare Club and will consist of an original skit with a special surprise theme, written and directed by Mrs. Frederick M. Dicey, director of the Drama Department. Among the club members who will take part in the skit are Miss Wendy Aberdeen and Misses Alfred C. Alig, Henry J. Mills, A. A. Deardorff, Harry D. Bostwick, Hiram B. Ravey, Arthur E. Eggert and Miss Ida R. Snyder.

The afternoon program, to be held at 1:30 in Shakespeare Auditorium, will be presented by the Choralettes of the Music Department of the Shakespeare Club in "Legends of the Madonna," directed by Mrs. Willard M. Davis. They will be assisted by a trio which includes Virginia Weltsman, soprano; Carol Metzelsalt, second soprano, and Carol Joe Terry, alto. Colored slices of famous Madonnas will be displayed with narration by Dr. Louise Grant Rice and accompanied by appropriate carols. The slides were taken by Dr. Rice, a member of the Shakespeare Club, during her trips abroad and include pictures of famous Madonnas from museums in France, Italy, Germany and our own Metropolitan Museum of Art. Dr. Rice arranged the music and planned the entire program as a correlation of music and art for Christmas.

Mrs. Lucille Reed Clark, director of the Music Department, said that the Music Department considers this a very special occasion because, while many groups may produce "Legends of the Madonna," few will be fortunate enough to have the author as narrator.

As Ives Sees It

PASADENA KIWANIS CLUB currently leading the Pasadena Service Club bowling league at the Bama Lanes.

MORE IN THE PREDICTION DEPT. . . UCLA will defeat Tennessee as Tommy Prothro returns to the scene of his collegiate accomplishments. The Bruins will need a win over the Volunteers to get up a head of steam for the Rose Bowl clash with Michigan State. TOM HAMILTON'S Pasadena Bulldogs will continue their unbeaten streak by edging Oxnard this weekend even if it is on the northerners' own grid. They really did not play especially well against St. Francis, yet it's the mark of a good team to gain victory despite many errors.

LOOKS LIKE UCLA has the best "TWO" collegiate basketball teams in the country. The varsity and the freshmen quintets that would be, with the latter headed for an unbeaten season.

ALL-AMERICAN SELECTIONS are tabbing the likes of Bob Giese and Steve Juday and overlooking the Bruins' Gary Beban. We'll let it pass this year but mark it in your little book that a year from now he will be on the dream team.

SO ROMAN BROTHER was named "horse of the year." This follows the selection of Kelso last year and of course proves the Eastern scribes are doing the picking. Neither one of these supposed super horses could win for losing in California and that goes for Quadrangle as well. Native Diver or Tom Rolfe certainly deserved the award far ahead of Roman Brother. Speak of politics.

AND SPEAKING OF HORSES, how many savings days until the big oval at Santa Anita opens?

IF BILL RUSSELL and Wilt Chamberlain are ready to hang 'em up say five years from now, don't fret, Lew Alcindor, now a freshman at UCLA will be ready to take their place in NBA history.

IT'S REALLY TOO BAD that there aren't some half-way decent heavyweights around. I still believe that Gaseous Clay is a helluva boxer, but you'll never prove it by the likes of Patterson, Liston, Terrell, Chivalo or Machen.

TWO THAT GOT AWAY . . . Fair Hooker, Monrovia and Tim Buchanan, Muir, a pair of dandy props last year, both were selected to the All-opponent team of Arizona Western J.C. They played end and tackle for the Arizona State Frosh.

CHUCK BENNETT will be the emcee at the Friday Jr. Rose Bowl kickoff luncheon that precedes the big game.

"PEPTONE"

"The Adventures of Torch McCarthy and her Accomplice, Star." Chapter One: Before I begin this unbelievable story, I'd better tell you just how Torch began to be called just that, Torch. She was no ordinary girl, or for that matter, neither was her accomplice. After all, what normal girl would use a blow torch to fire down policemen just to get up to the stage where her singing idols, the Beatles, were?

When people saw this rare feat and when they saw her red hair, Torch just suited her, that was all. Accomplish all this time was just that, an accomplice, so everyone called her just that.

Well, anyway, it was a rather gloomy day and as usual the two crafty girls were scheming of something that would distinguish them from everyone else. All of a sudden they both came up with an idea. Their minds must have been traveling on the same wave lengths because they both thought of sending themselves to the Beatles in care of the Post Office.

This was no ordinary idea and the girls knew it. They also knew that every detail had to be taken into consideration, that one false move would make them suspects.

Read and see what happens to the girls next week in Chapter Two.

Want a good group for your party or want to know something about your fave singer or singing group? Send a post card to Deedee and Alice, in care of the Sierra Madre News.

Meet Tuesday

Phi Delta Rho chapter of Beta Sigma Phi will hold a meeting Tuesday, December 7, at the Sierra Madre home of Diane and Suzanne Epperson. A cultural program, "Am I Morally Responsible?" will be given by Mrs. Ronald Brandley and Miss Judy Jennings.

The members will bring their contributions to the chapter's donation for Christmas in Viet Nam.

SYcamore 7-6934

The older I get the quicker these holidays seem to creep up and the less prepared I am to cope. . . . Managed to get all 17 pounds of pump turkey in and out of the oven without mishap last week with a great sigh of relief. . . . I had done it again. After a week of turkey under glass, hash spaghetti, turkey spaghetti, cold, and a cute little recipe with broccoli, spaghetti, and cheese soup, I am sick, sick, sick of the sight and the thought. Yet, in three weeks we start the whole thing again, with presents yet.

I've tried to convince the junior members of my group that he should have a strictly spiritual Christmas this year but it has gone over like a lead balloon. Spiritual they will go for, but they want presents, too. I even told them about the "olden" days when everyone made his own gifts. "We'll, they said, "we didn't know you were that old, MOTHER." . . . This put me on the defensive immediately, as they knew it would, so I'm back in the rut again pointed with my charge-plates toward the nearest department stores. See you there.

A great many people on Pasadena Glen gave a special prayer of thanks last Thanksgiving for the help they received from the County Flood Control, the Fire Department, and, of course, all of the members of Pasadena Glen Association who worked tirelessly filling and placing sandbags so that the houses in the lower glen would not wash away.

Some of the home owners threatened asked that I might publicly thank those who helped them. If I miss a name, it is an oversight and unintentional. The homes in the area were those of the Earl Grosses, Ray Cooks, H. G. Whitecar, who, by the way, is recovering from open heart surgery, Jerome Meyer, Joyce Thompson, Rob Leigh, Ronnie Matherall, Cecil Hopkins, Shirley Flanders, Marie Reynolds, Roger Wilcox, Jack Cowley, Christ Meyer and the A. N. Woodburys. The John Griffiths, the Omar Fords and Robert Sullivan have a different type of problem to cope with. They have uninvited and unwanted boulders that rolled down from the hills behind their homes, and into them. The problem is how to move them and where . . .

Levity aside. It was a magnificent demonstration of co-operation and brotherly love. They worked long hours with no stopping until the homes were as safe as they could make them. The "Hilltopper" was in and out during the whole crisis, bringing different executives in from the flood control and the fire department to evaluate the situation and inventory the heavy equipment that would

be needed to handle the job. I am happy to report that the damage is minor compared to what it could have been. There will have to be a lot of mud shoveled, but fortunately, it is on the outside.

Mrs. Phyllis Ferris and Mrs. Glenna White will be co-hostesses tomorrow at a luncheon welcoming two neighbors who have moved into their immediate vicinity. The guests of honor will be Mrs. Madeline (James) Simpson, former residents of Sierra Madre Villa, and new owners of the Gerald Dreen house at 2961 Clarmey Lane, and Mrs. Ann (John-Slauder)man, who bought the Meyer's home at 3110 Meyerloa Lane.

The ladies invited were Mmes. Barbara Deitzel, Mary Beth Deitzel, Pat McCookin, Carol Wetcher, Marguerite Richards, Doree Kanak, Alice Morgridge, Shirley Burt, Gert Harris, Mary Davidson, Pat Opp, Jan Barringer, Ellen English, Ruth Morse and Mary Frances Tripp.

The Villa Guild of Rosemary Cottage is looking for a big turnout Saturday night at its "A Night in Monte Carlo" party. It will be held at the home of Mr. and Mrs. John Hedrick at 3345 Villa Mesa. Remember, game time is 8 p.m., and the winners will take home some fancy prizes for their efforts. There will be a midnight buffet served, as well as refreshments throughout the evening. Hope to see you there.

Happy to hear that Dr. and Mrs. Ralph Rogers are aboard the "Santa Maria," which sailed from Lisbon, Portugal, with Florida their last stop. It has been a long and interesting trip around the world for them and their friends are anxiously awaiting a first-hand account and a pictorial explanation of their trip.

Dr. and Mrs. Robert Mueller had a family gathering at their home last Thursday which included, in addition to their own two children, Steve and Melissa, Nancy's mother and father, Mr. and Mrs. M. D. Remy, and Bob's parents, Mr. and Mrs. E. G. Mueller; her sister, Lucille Paschall, and her children and grandchildren. Her daughter, Penny, and her husband, Mr. and Mrs. Kenett Patrick, were there with their son, Kenett III, and their five-day-old baby girl, Michele. Also there were the smaller Paschall children, Michael, Trudy, Chuck and Marilyn.

The George Holmes family of Old House Road had a happy day having their son, Doug, home from Menlo College for the first time since September, and the Robert Hanssens were just as happy to have their daughter, Jill, home from the University of Utah for the first time.

UROC To Have Christmas Potluck Dec. 7

The Sierra Madre Unit of United Republicans of California will hold their annual Christmas potluck on Tuesday, December 7 in the Park House. Dinner will begin at 7 p.m. Feature of the evening will be the fine food prepared by the renowned cooks of UROC, as well as good fellowship.

An added feature will be the gift table bearing gifts brought by members and guests. There will be gifts of food, decorations, practical gifts, gifts to make your holidays brighter. "You'll probably find something for that hard to please person on your shopping list, and for only a small donation," says the committee.

Friends of UROC are invited to join at the meetings. Please call Frances King, 355-8994, for further information.

Hastings Ranch Garden Club Party Dec. 5

On December 5 the Hastings Ranch Garden Club will have its annual Christmas party at the beautiful Padua Hills restaurant and theatre at the base of the Sierra Madre mountains in Claremont, where the romance and beauty of early California and the charm of old Mexico are brought vividly alive.

Mrs. Richard Pauloo, social chairman, has made all arrangements for the members and their husbands to have a delightful evening.

To generate steam electricity, the TVA has bought \$180-million worth of coal.

Two New Dog Classes Start

During the month of December, the Santa Anita Dog Training group will be starting two new dog obedience classes in Arcadia County Park. In addition to the evening class, another Saturday afternoon class will be held. These popular daytime classes are only held during the cooler winter months, and as each class is limited as to the number of dogs, it would be well for those interested to call and make a reservation.

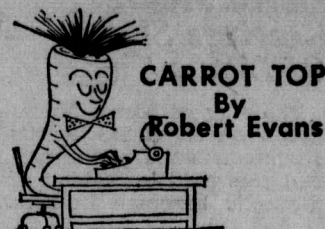

Any dog five months and older may be enrolled, and in some cases younger dogs will be allowed to train. Besides basic obedience, this eight-week course also takes care of any problems. The new classes will start on Wednesday evening, December 1, at 7 p.m. and Saturday afternoon, December 4, at 1 p.m. For reservations or further information please call either 446-6858 or 356-1096.

Twins Club To Hold Annual Party Dec. 5

The Santa Anita Mothers of Twins Club will hold their annual Christmas Party on Sunday afternoon, December 5, at 2 p.m. at the Pasadena Youth Center, at 301 South Main, Pasadena.

Mrs. Elmer New, chairman and Mrs. Paul Conard, co-chairman are expecting a fine turnout. All children present will receive a gift from Santa, and enjoy a puppet show given by Macabob's Toy Store. Following the entertainment there will be refreshments for all.

If you have twins and are interested in the club and its activities, contact Mrs. Clifford Lasken, at 446-4239, or Mrs. Warren Forrest, at 446-2548.

Local Students Named As Expert Scientists

Cobwebs

Names of local outstanding science students who have been nominated by their high school districts as candidates for a delegate's seat to the 1965 National Youth Conference on the Atom were announced.

Pat Chase, senior at Alverno Heights, was selected along with students from Monrovia High School, Temple City High School, St. Andrew's High School, St. Francis High School, and Duarte High School.

Southern California Edison Company, local sponsor of the seventh annual science gathering, scheduled December 9-11 in Chicago, invited public, parochial and private high school districts within areas the company serves in California and Nevada to nominate one student each as a possible delegate.

From all the nominations, six top-notch students will be selected to attend the conference, according to P. J. Langlie, Edison district manager.

One student and his science teacher will be picked to represent each of Edison's six commercial divisions, Eastern, Metropolitan, Orange County, San Joaquin Valley, Southern and Western.

In Chicago, Edison's delegation of students and teachers will be able to hear and meet many of the nation's foremost scientists.

The conference will also include field trips to the AEC's Argonne National Laboratory, one of the principal U.S. centers for peaceful atomic research and the world-famous Museum of Science and Industry in Chicago.

"Twin goals of the conference are to reward hard work on the part of future scientists and to sharpen their awareness of the dramatic strides being taken in nuclear energy and other scientific fields," Mr. Langlie said.

More than 60 investor-owned electric companies such as Edison will send delegates to this year's conference, he said.

Another "Rose beauty" unexpectedly made an appearance over the Thanksgiving holiday. Susan Remple, daughter of the Kenneth Remples of 207 Park Ave. was the Rose Queen for Sierra Madre in 1962. Her surprise visit delighted not only her family and friends but everyone at the News, where Susan worked for a while before she enlisted in the Air Force last June. Now Airman 3rd Class stationed at Eglin Air Force Base in Florida, Susan reported to the Bill Beavers and her family, with whom she spent her holiday, that when she was first stationed at Montgomery, Alabama she was really overwhelmed by the gracious and warm hospitality of people in the South — which came as no surprise to Jody, of course.

Services Held For E. Ray Johnson

Funeral services for E. Ray Johnson, 77, of 642 Auburn Ave., Sierra Madre, were conducted Saturday, November 27, at 10 a.m. by Rose Hills Mortuary in Sierra Madre Congregational Church, 170 W. Sierra Madre Blvd., Sierra Madre, with the Rev. Shelby J. Light officiating. Interment followed in Rose Hills Memorial Park.

Mr. Johnson, a resident of California for 18 years, was born in Ohio, and died Tuesday, November 23 in Sierra Madre Community Hospital.

He is survived by his wife, Myrtle of the home address; two sons: Russell Johnson of Santa Ana; Richard F. Johnson of San Luis Obispo; a daughter, Mrs. John (Mary) Pehrson

Gift Exchange To Be Dec. 9

A Christmas gift exchange will be a highlight of the monthly luncheon meeting of the Sierra Madre Auxiliary to the Crippled Children's Guild of Orthopaedic Hospital. This will be held on Thursday, December 9, at 10:45 a.m. at 101 S. 1st St., Arcadia. Plans for a formal dinner-dance to be held in the spring will be discussed by Mrs. Edward Sevadjian, chairman. The deadline for reservations for the bridge tournament to be held from January through June is December 10.

Letters to The Editor . . .

Dear Editor:

I realize that the people who publish the Sierra Madre News understand where the Government gets its money, but I get the feeling that a lot of other people don't. If I could write a letter to everyone who thinks he can get something for nothing from good old Uncle Sam, it would go like this:

If you work for a wage or salary, you will notice a shrinkage of your paycheck in January. This is because of the increase in Social Security tax. In 1955, your total contribution for the year was \$84 if you made \$4,200 or more. Next year, \$6,600 of income will be taxed; and if you earn that much (it works out to \$127 per week), you will pay a total of \$277.20. Medicare will take a little over 20 of this.

So you will pay three times as much, even without Medicare. Don't let anyone kid you, though, you won't get three times as much in benefits or protection. This is because each year, the program is broadened so that more and more free riders (people who don't contribute) can dip into the money. It's part of the Great Society way of life—money is taken from those who work and given to those who can't or won't. And of course, you and I can't do anything about this—we can't refuse to pay, for instance.

Maybe you've noticed that more and more people seem to be able to get something for nothing—the Government gives it to them.

Just remember, the Government doesn't pick that free money from trees, it picks it from the working man's pocket. And this ever-rising Social Security tax is just one example of how it's done.

—ROBERT F. MACKNESS.

Dear Editor:

The thrill of seeing a variety show production come to being was experienced by us last week when the PTA Extravaganza presented our "Circus Daze" performance.

Flowers should be given, rightfully so, to all the members of the cast for their hard work and ingenuity in show material and costume design. The three-night performance indicated many hours of practice went into the various acts.

For every performer on stage, it takes two people behind the scenes. It is here that we would like to extend a special "thanks" to all the persons that the public did not see. They were in the background doing the miraculous jobs of "getting the show on the road" and making sure that everything went right and on schedule.

With the cooperation received from everyone concerned with the show, we are left with a memory, and a dream, of an experience that we will never forget. The news coverage that you, the editor, extended to us helped to make the annual fund-raising a huge success.

Again, our heartfelt thanks to all!
—BERT & VELMA EMBREE
Co-Directors, 1965.

Dear Editor:

It is my privilege to report that at our last meeting of the Board of Directors of the Sierra Madre Branch of the American Red Cross that you were elected as an Honorary Director.

This action was taken to express our appreciation for your kindness in publishing articles in your paper on the numerous activities of the Red Cross in this area.

Sincerely,
—CATHERINE E. LAW,
Chairman.

Before establishment of dental schools, the profession was learned by serving as apprentices.

Civic Club Sponsors Toy Loan

1949, the Toy Loan Cottage was completed and dedicated as a gift to the City of Sierra Madre.

In 1956, the Civic Club received its first Federation award (having joined the Federation of Women's Clubs in their first year, 1944). This award was a State award for Youth Conservation. Since then the Club has received many awards. This does not surprise anyone who has lived here awhile and residents would bet on the success of whatever new plans for Toy Loan are currently being cooked up by the Sierra Madre Civic Club. Toy Loan is the club's baby—and is a mother determined.

In the year of 1948-49, the Civic Club's most famous project began to evolve. It was necessary to have a new home for Toy Loan. Members began to dream, and the dream took shape as a storybook "Mother Goose Cottage" which would make the children's dreams come true and be a lasting memory of childhood. The city of Sierra Madre gave its permission to build the cottage on city property in the conveniently available Memorial Park. Virgil Smith and Manuel de La Torre, builders, donated their services in the direction and supervision of the new building. Interested citizens donated labor, materials and time to do the carpenter work, electrical work and plumbing. Painters came in and decorated the inside of the cottage.

And meanwhile, Club members were just as busy. Each pledged \$5 toward the project, to be raised in some unique way which would not take it out of the family budget. They went around giving each other home permanents, for a fee; they baby-sat for each other, they had bridge luncheons. No wonder each member felt a part of the cottage project. Mrs. Elsie Ohs and Mrs. Gay Betten-court were the chairmen for this really big undertaking. Finally, on January 27,

You & Your . . . at Thanksgiving

It was a quiet holiday for Mr. and Mrs. David H. Hobson, 276 E. Laurel, for as many friends are aware, Mrs. Hobson is in process of recovering from illness. However, they are both storing energy for a super celebration a little later, because they expect a visit from their son Richard, who has just been granted his PhD from Northwestern University. These proud parents also report that "Rick" is now working for NASA.

Too new a bride is Susan, daughter of the Paul L. McGiven's, 485 Michillinda, to be expected to take over Thanksgiving, as she was just married in July, so she and her husband Roy Raat came from their home in Alhambra to join the family here for dinner. Younger sister Leslie Anne, now a sophomore at UCLA was also present, and, of course, the McGiven boys still at home, Paul, George and Glen. Paul will be graduating from PHS this year.

You and Your Neighbor . . . at Thanksgiving Time

by Mary-Madeleine Lanphier

It's certainly an occasion when a daughter-in-law cooks her first Thanksgiving turkey for the "folks," and that was the treat enjoyed by the Raymond Ohs of 130 E. Carter when they went to Tustin to the home of son Robert. Report is that the bird turned out beautifully, and was also enjoyed by their daughter and husband, Mr. and Mrs. Anthony Case of Pasadena, and Mrs. Ohs' mother, Mrs. Clara Ohs, of Walnut Park.

Any effort to keep relationships straight in reporting

is more than balanced by the heart-warming feeling produced by being aware of so many families meeting together over the traditional table of Thanksgiving. The Bjorne Goldmann's of 451 Crestvale joined Mrs. Goldmann's sister's family Shirley and Rhoades Douglas, 621 Fairview, and their son and wife, Stephen and Lynn Douglas and son Rusty, 241 N. Baldwin, at the home of Lynn Douglas' parents Flo and John Robinson, and Lynn's younger sister, Wendy. Stephen Douglas is now a Junior at L.A. State, in addition to his job.

Sierra Madre Receives Share Of Liquor Tax

The City of Sierra Madre has received \$1,313 as its six-month share of the special fees paid by holders of alcoholic beverage licenses.

The payment was made by the state's department of alcoholic beverage control which allocates 90% of all license fee money back to individual cities and counties where it is used to offset the costs of police and fire protection, schools, highways, hospitals and other government services. The remaining 10% goes into the state's general fund where it is used for similar purposes.

Editorially Speaking...

The Point

Whether we made the goal of \$4,000 for our Sierra Madre Search and Rescue Team is not the point. Whether the drive was sponsored by the Sierra Madre Chamber of Commerce, Sierra Madre News, or any other organization, again is not the point.

The very fact that each and every one of you put your shoulders to the wheel and gave all you could, and in the spirit that you gave, is the point that will send these men out to the "Rescue" with light heart and the feeling that every citizen in the area is with them all the way.

The total received on the drive, along with the last list of contributors, can be found in this issue of the Sierra Madre News. Over 500 sent their dollars to save the lives of those who may become lost, and in addition another 500 gave of their time and efforts to place this project on a firm basis for the year 1966, and although it may not show up in the cash column, if any of us were to buy this support, it would be impossible to raise the money necessary to do so.

Rest assured that every member of the team will squeeze every nickel received, until the "Indian screams for mercy," they will see to it that it is put to the purpose for which it was intended.

Most drives to obtain money for operation list as low 7%, others as high as 12% for collection and administrative, but your Search and Rescue drive did not cost one red cent and all moneys collected are immediately deposited to the account of the Team as "Liquid Cash" to be used as they need it.

On behalf of all who will be helped by this drive, and more especially every member of the Team, we are privileged to THANK YOU in capital letters . . . you, all of you are a grand group. . . Thank God that I have the opportunity to live among you.

Big Business

The taxpayer is paying the bill for an ever-increasing number of public employees in California according to a statement by California Taxpayers' Association. The number of civilian workers, including full and part-time, employed by Federal, State and local governments in California, rose to a total of 1,034,977 in October, 1964, as shown in a Bureau of the Census report on public employment.

The comparable figure for 1954 — 667,256 — shows that there has been a 55 per cent growth in total civilian public employees in the State during the ten-year period from 1954 to 1964. For the same period, Cal-Tax estimates show an increase in population of approximately 46 per cent. In other words, we have a greater percentage of government employees in the population of California today than we had ten years ago.

There was a 79 per cent increase from the 438,772 public employees working for state and local governments in California as reported in 1954 to 786,500 reported in 1964. The number of federal civilian employees working in the state increased only about 9 per cent from 228,484 to 248,477 in the ten-year period covered by the Cal-Tax study. The increase of those employed by state government alone amounted to 89 per cent from 89,130 to 168,500.

Also on a percentage basis, the considerable growth in numbers of local government employees in California was pointed up by the study. The greatest increase percentage-wise occurred in special districts with an increase of 124 per cent from 14,092 employees in 1954 to 31,600 in 1964. Close behind and with a far greater numerical growth were school districts with an increase of 110 per cent from 156,384 employees in 1954 to 328,900 in 1964. The increase for all counties in the state was 57 per cent from 80,541 employees to 126,600 and for cities only 33 per cent from 98,625 employees to 130,900.

The increase in total civilian government employees in the United States as a whole was only 41 per cent from 1954 to 1964 compared with California's 55 per cent increase. The ten-year increase of 10 per cent in numbers of federal employees within the United States was greater than the 9 per cent increase of such employees in California. Comparing numbers of public employees working for state government in 1954 and 1964, California, with an 89 per cent increase, was far ahead of the Nation as a whole, with a 56 per cent average increase.

Some interesting changes in the distribution of total civilian public employees by government level in California, Cal-Tax noted, have taken place during the ten years from 1954 to 1964. Federal employees accounted for 34 per cent of the total in the earlier year and only 24 per cent in the most recent figures. State and local government employees combined rose from 66 per cent of California's total civilian governmental workers to 76 per cent in 1964. State employees alone were 13 per cent of the total civilian working force employed by all branches of government in California in 1954, but this group increased to 16 per cent of the total in 1964.

Important increases occurred on the school district level as far as the percentage of total distribution of public employment among the various governmental branches is concerned. School district had only 24 per cent of the total in 1954 but increased to 32 per cent in 1964. Counties had a 12 per cent share in both years. The cities' share decreased from 15 per cent in the earlier year to 13 per cent in 1964. The ten-year difference in special districts was an increase from a 2 per cent share to 3 per cent.

"We often hear it said that 'government is big business,' but these figures most certainly indicate that California State and local government is a big employer and is getting bigger. The inevitable result of ever-growing government is a mounting tax bill to be paid from the earnings and production of the people."

Sierra Madre News

Published every Thursday at 9 Kersting Court, Sierra Madre, California. Los Angeles County, Post Office Box 37, Telephone SIERRA 3-3244 or 3-3245.
The Sierra Madre News, Official Newspaper of the City of Sierra Madre is declared a Newspaper of General Circulation for the publication of legal notices, as defined by Section 4400 of the Political Code of the State of California, in the Superior Court of Los Angeles County August 19, 1956. OUT OF THE COBWEBS

Five Years Ago Today:
December 1, 1960

As has become their annual custom, 66 members of the Hank and Pat Rose family rented cabins at Big Bear for the Thanksgiving weekend and took over the top floor of Snow Summit Lodge for their turkey dinner.

Due to the purchase of land on Mt. Wilson Trail to protect the watershed, the City of Sierra Madre experienced what taxes really mean when those of the city jumped triple. It is hoped, however, that the County will go ahead and annex this land as contemplated which would eliminate the tax. Meanwhile the City Council acts to secure much needed new street lighting.

The unique Creative Arts Group is host in Sierra Madre to the American Association of University Women and the six founding members discuss their specialties. These founders are: Mrs. Charles Morse, Mrs. Harry Snow, Mrs. Bruce Wallace, Mrs. James Hawkins, Mrs. William Burr, and Mrs. William Stewart.

A "Last Chance Canyon" outing for Thanksgiving is enjoyed by four Sierra Madre families: those of Bert Embree, Roland Guthrie, John Goodall and William Waite.

Mrs. Florence Tardel of 274 W. Montecito leaves for a visit of several months to her native Mexico.

Mrs. Grace Bush presents her program "Christmas in Many Lands," for the Friendship Club of Sierra Madre. Mrs. Bush, well-known composer and pianist, poet and lecturer, has just returned from a program tour given abroad.

The annual Thanksgiving service, held in Memorial Park, is attended by fully 500 people this year. The massed choir is directed by Mrs. Margaret Schaper of Bethany Church, with Gerard Faber at the organ, and the prayers and readings are given by Dr. Orian G. Burlison, Rev. George A. Lindsay, Mayor W. Webster Vannier, Rabbi Charles W. Steckel, Rev. Donald Ostrander, Dr. Chilton M. Pheeters, Rev. Ray E. Hansen, and Dr. Robert Schaper. David A. Sommers and the City Recreation Department do an effective job of handling park bench seating arrangements, and Ripple Mortuary provides the organ.

Lee Ellerbrock, who is deep in plans for his visit to see Nobel Prize winner Dr. Albert Schweitzer at his jungle clinics in French Equatorial Africa, makes a talk at the Congregational Church.

Attorney Draper W. Phillips of 528 San Gabriel Ave., also makes a talk, appearing before the Commonwealth Club of San Francisco to discuss "The Monroe Doctrine and Peaceful Coexistence."

Two commemorative plaques are presented to Nina R. Neale, of the Neale Insurance Agency at 20 N. Baldwin, and to founder Thomas W. Neale and other members of the agency.

Ten Years Ago:
December 1, 1955
Walter D. Thurber is appointed chairman of the Diamond Jubilee planned

for Sierra Madre next spring. Mayor Charles H. James will issue a proclamation announcing the jubilee.

Mr. and Mrs. J. O. Rosefeld of 700 Auburn Ave. enjoy a stay at the Hotel Virreyes in Mexico City.

Al E. Morgan is re-elected president of the Sierra Madre Chamber of Commerce. Also chosen for offices are Robert Green, John E. McKibben, and Anthony Cavalli, and new directors are Postmaster Charles E. Louk and Tom Schwartz.

The Sierra Madre Tennis Club meets defeat at the hands of the Monrovia team and the return match is eagerly anticipated, with Peter Cowell on the lookout for new members.

Twenty Years Ago:
November 29, 1945

Great excitement abounds among the friends of F. W. West, 179 Montecito, due to his discovery of a 16th century painting by an old master, in the course of his work as a restorer of paintings. Further checking of artist's signature by infra red photo is planned.

H. E. Osborne, of the realty company at 1350 N. Pothill Blvd., purchases land in Eaton Canyon which Caltech had used as its rocket bomb experimental station, and a subdivision plan is made. Another subdivision is to be opened for sale in the Santa Anita area, according to Raymond A. Dorn. Carl Hansen buys the lot adjoining Safeway for the purpose of modern office building, and the City Council takes steps toward joining the County Sanitation District as the city continues to expand.

This year two Sierra Madre coeds win the PCC contest for the college's Tournament of Roses float: Tess Keys, daughter of Mrs. Margaret S. Keys, 419 E. Highland, whose design was selected for the Queen's float; and Lela Pickett, daughter of Mr. and Mrs. Roy H. Pickett, 201 W. Highland, whose design will be used for the entry representing the college.

Thirty Years Ago:
December 6, 1935

Mrs. P. M. Halloran of Belle Vue Court, a new arrival from Montana, reports that the people of that state were really "shook up" when a series of quakes of varying degrees created damage and much fear. Seems Montanans are not conditioned to California nonchalance about tremors.

A world record for speed is set by the tunnel crew who dig on the Grand Av. bore for the Metropolitan Water District Aqueduct.

Judge Thomas W. Neale takes over the insurance business of Andrews and Hawks, freeing W. S. Andrews, Sierra Madre's oldest businessman here, to announce his retirement, and his return to ranching at his home at Central and Sierra Madre Avenues.

"Weary Willies" — police name for itinerant peddlers of junk — are warned by a special notice posted by Chief of Police Gordon McMillan, that Sierra Madreams are not gullible yokels, and that fakers had better vamoose.

Phi Mu Alumnae Christmas Party

Phi Mu Alumnae Association of Pasadena will hold its annual Christmas party at the home of Mrs. Howard Martens, 1948 Brae Burn Road, Altadena, on Friday, December 19, at 7 p.m.

In addition to the groups' members with their husbands and friends; invitations have also been extended to members of the Phi Mu Alumnae of Glendale.

Phi Mu members each year look forward to this festive social affair with its Christmas theme, and entertainment throughout the evening of cards and games. Co-hostesses include Miss Katherine Weir, Mrs. Walter Keen, Mrs. John Aspell, and Mrs. Glenn Matthews.

For reservations or further information contact Mrs. Matthews or Mrs. Aspell.

Woman's Club Christmas Comes Early This Year

On the 8th of December the Sierra Madre Woman's Club meets at 270 W. Sierra Madre Blvd. for a short business meeting and exchange of gifts among the members as well as donations of gifts for the Rancho

Los Amigos inmates. Mrs. Clinton Symonds will explain the Sierra Madre Gerontology program and Madeleine Pichard, whose paintings adorn the walls of the auditorium this month, will be presented as an honor guest by Miss Grace Webster, Art Chairman for the club.

Miss Pichard is a local art instructor whose education in art was obtained mainly in her native Paris. Her work is varied and outstanding in every respect and will sell at very moderate prices, as she expects to move soon.

After luncheon, which is being put on by Mrs. Jack Tilley, there will be a program, "Christmas in Many Lands," by Grace Bush.

Miss Bush is an accomplished poet and musician who has won acclaim all over the United States with her unique presentation of songs and piano solos. She has written over 175 songs and piano solos in addition to readings with musical backgrounds. She is a member of the National League of American Penwomen, of the National Association of Composers and Conductors, of the National Association of Arts and Letters and other kindred organizations.

Letters To The Editor . . .

Dear Editor:

The following is an open letter to Uncle Santa Sam. Dear Uncle Santa Sam:

Be assured that we do not ask you to outgive our traditional Santa Claus. He alone can afford generosity without political strings.

In the spirit of the season, please give us a new transportation policy, based on equality of opportunity. Please stop the hoary practice of over-regulating and over-taxing our self-reliant railroads, while over-subsidizing and undercharging other types of transport on tax-provided facilities. Please let competition regulate freight rates and do not deny shippers the benefit of rail freight volume rates.

This large order costs you nothing. It requires only a measure of intestinal fortitude from a Congress wallowing in a morass of political expediency.

—K. FRITZ
SCHUMACHER
Former railroad

Sierra Madrean Publishes Article

A Sierra Madre engineer is the author of an article appearing in the December issue of EDN, a major national electronics trade magazine.

Ward Calaway of 215 Olivera Lane has written "The Design of Wideband Limiting Circuits."

Calaway is Senior Development Engineer at Consolidated Electrodynamics Corporation (CEC) where he has been employed for four years. He received his MSEE degree from Cal Tech.

Calaway is a member of the Institute of Electrical and Electronics Engineers. He is past president of the CEC Postmasters, and is active in this group and two investment clubs. He is married and has one child.

From Arthritis To Art Is Title of Exhibit

From Arthritis to Art could well be the title of the art exhibit now on display in the Wilshire Federal Savings Art Salon, 3500 Wilshire Boulevard, Los Angeles. The showing artist, Cecil Gillens was a victim of a severe arthritic condition in 1959, and this changed her whole life — from that of a career girl in government service to a life of retirement, or make the most of an unfortunate situation.

Too young to retire, her doctors advised her to engage in swimming to regain loss of motion sustained as a result of the arthritis. As she progressed in regaining her strength, she registered in an adult art appreciation course for beginners at a local university, but primarily for the purpose of using the swimming facilities. As the arthritis improved, her interest in art expanded. She continued in swimming, but majored in art.

She has had previous one-woman shows in the Women's Club of Hollywood and most recently in Woodland Hills.

Mrs. Gillens is a diversified painter, doing landscapes, still life, portraits, but tends toward the modern representational.

Because of her experience in the past few years, she is strong in the belief that it is never too late to learn a new hobby, which in her case led to a new career.

Rho Chapter of Beta Sigma Phi Meets Dec. 7

Members of Rho Chapter of Beta Sigma Phi sorority will hold a dinner meeting Dec. 4 at 7:30 p.m. at the Pepper Mill Restaurant in Pasadena.

The highlight of the meeting will be the Ritual of Jewels ceremony to be conducted by Mrs. Russell Richardson, president, for Mmes. Kirby Shaw and Charles Wright. The traditional yellow rose of Beta Sigma Phi will adorn the table.

Mrs. Walter Christianson, service chairman, recently headed a tour of members to Five Acres, which is a children's home in Altadena. They will report their findings to the chapter, and final plans will be formulated for this year's service project.

At the Southern California Council's recent breakfast held in Long Beach Mrs. Russell Richardson was elected alternate teller for the forthcoming SCC elections.

Shakespeare Jrs. Plan Luncheon

The Pasadena Shakespeare Juniors are planning to get into the "yule spirit" with a "Christmas Tree" Progressive Luncheon on the fifteenth of December.

Mrs. Speltz H. Parker and her committee plan to start the well organized event with hors d'oeuvres at the gaily decorated home of the lovely two-story colonial home of Dr. and Mrs. Harold Benedict of Chapman Woods where the entire will be served. Each table will be graced with a crystal Christmas tree delicately hand-crafted by Mrs. Peter M.

Collet and committee. The gracious Normandy style home of Mrs. William R. Allen in Altadena, furnished in a Mediterranean blue and green, will provide a most appropriate setting for extending best wishes for the holiday season, while enjoying a delicious dessert provided by Mrs. John W. Lloyd and her assistants.

Mrs. Donald L. Snelser, luncheon chairman, announced she already has received 120 reservations for this festive affair and it appears that this will be the most eagerly attended luncheon of the year.

Flies carry as many, or more, germs than any other insect.

THERE IS NO SUBSTITUTE FOR EXPERIENCE

EXPERIENCE BUILT BILLION-DOLLAR SAFETY FOR YOUR CALIFORNIA FEDERAL SAVINGS ACCOUNT!

Young horned owl is battle-new and Mother Eagle is a veteran. He'll learn the hard way that experience provides a powerful, unique kind of protection. It does at California Federal, too. Savings experience runs deep here . . . 878 years among our officers and directors. And the same, astute management since 1925. It all adds up to giant safeguards for your savings. Billion-dollar assets. Huge reserves. A federal charter. Insurance of accounts. And with protection, there's profit: quarterly dividends paid at a high current annual rate. For experienced protection — plus dividends — 500,000 savers have opened California Federal accounts. The nation's largest federal savings association is the best place for your savings account, too.

Special Music At Bethany Church Sunday

The 35 voice Men's Chorus of Bethany Church of Sierra Madre will present special music at the 7 p.m. Sunday service on December 5 in the church sanctuary at 93 N. Baldwin.

Dr. Robert N. Schaper, pastor will lead the congregation in a communion meditation prior to the congregation's participation in the ordinance.

This service will mark the second appearance of the Chorus which is led by Music Director Margaret Schaper. The group sings once every six weeks and has drawn favorable response each time it sings.

on the theme, "Preparing for a King," at the 8:30 and 11 a.m. worship services.

Friday night, December 3, the Mariner's Sunday School Class led by Mr. Norm Dirks of Arcadia will hold their monthly social gathering at Fellowship Hall. The class is taught by the church's assistant minister, Rev. Hugh S. Bell, Jr.

Dr. Schaper extends a cordial invitation to the entire community to worship with the congregation at Bethany at any of the three Sunday services in addition to the Sunday school which meets at 9:40 a.m.

The Promise of Christmas Is Lesson-Sermon
"The Promise of Christmas," the lesson-sermon of Dr. Ethel Barnhart at the Santa Anita Church, 226 W. Colorado Blvd., Arcadia, Sunday morning, December 5, at both the 9 a.m. Family Worship service and 11 a.m. service, ushers in the Christmas Season of Love and Power.

Dr. Barnhart says: "The individual's acceptance of the 'Promise' of Christmas is the first step necessary for the birth of the indwelling Christ. The public is invited to worship with us. Infant and child care is provided at both services."

Graded classes for youth from kindergarten through first years of college are held during the 9 a.m. service. All youth worship with their parents for the first 15 minutes of the 9 a.m. Family Worship Service. After a sermonette by Dr. Barnhart the youth go to their graded classes.

A committee from the church says: "The Festival of Grateful Hearts held December 2 from 1 to 9:30 p.m., sponsored by the women of the church, is a wonderful place to do your Christmas shopping. Gifts for the whole family are available. The public is cordially invited."

Dr. Barnhart concludes: "For Spiritual help day or night, call HI 7-6162."

Rev. Armin Hesse Announces His Sunday Sermon
"A Prospective Husband is Mystified!" will be the sermon theme of the Rev. Armin Hesse in the 10:30 Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive. The message will be the second in the Sunday morning Advent series on "Revelations of the Gospel Film Library."

On Sunday evening at 5:30, the congregational family Christmas supper and program will be held in the parish hall. Each family is requested to bring food and its own table service. Under the chairmanship of Duane Halvarson, the ladies will be in charge of the table settings and the young people of the table service. The one-hour program will include singing, the introduction of new members, choral selections, and a puppet show.

In the Midweek Advent service next Wednesday evening at 7:30, the pastor will speak on "The First Christmas Celebrations in America." These talks on "The Creation of Christmas" aim to instill in worshippers a greater appreciation for the Nativity Festival.

PEPTONE

by Deedee & Alice

If Paul Revere were alive today, he'd be very proud to know that such a group as the Raiders took over his name. Actually, though, Paul Revere of the Raiders took over his own name. Paul is 24 and his ultimate ambition in life is to buy a small town in Idaho and cut his phone wires.

Smitty, the cute little drummer is 21. He seems to be the wild one of the group and happens to be their lead singer.

"Phil Volk (sigh!)", more commonly known as "Fang," is 19-years old and six feet tall, brown hair, brown eyes (sigh! sigh! etc.).

A little blue suitcase and an olive kit bag are where Drake Levin makes his home. He is the lead guitarist of the group and manages to do that very well.

Last of all, there is Mark Lindsay. His biggest wish in the world is to make more money than Scrooge (I wonder if he means Scrooge of the Misers?) and to be liked by everyone.

You can watch these guys every day on "Where the Action Is," but don't be surprised if you see them adorned in swim suits or anything else for that matter, for they're wild enough to do almost anything.

Please turn to Page 6

SPORTS

AS

Hank Ives

SEES IT

LITTLE THIS-N-THAT IN SPORTS

PASSLE OF JR. COLLEGE bowl games on tap this weekend. Here is the way they look. LONG BEACH over San Francisco in the Prune Bowl (San Jose) but CCSF has a halfback named O. J. Simpson who scored 138 points this year and is apparently the greatest thing since Ollie Matson.

CERRITOS should take freshman dominated Boise into camp in the Potato Bowl. Spud Bowl folks wanted Columbia Basin who whipped Boise 26-0 in the opener but conference said no. SEQUOIAS should have little trouble with Shasta in the newly formed Empire Bowl in Santa Rosa. I like HARBOR over Reedy in the Lion's Bowl in Santa Maria. Good to see the Seahawks get a bowl chance after going unbeaten and uninvited in '64.

VENTURA may pull a surprise on Dick Gorrie's Santa Ana eleven in the Elk's Bowl in San Bernardino. Chuck Williams is one of the best J.C. passers

around but the Dons have the big and rugged defense.

WE HAVE ANOTHER WEEK to consider the values of the Henderson and Fullerton elevens before making a prediction on the outcome of the 20th annual Jr. Rose Bowl classic.

BUD GRIEST AND JERRY GRAVES, the Pasadena Jaycee men who went to Athens for the contract signing, say the Texas folks are really "hot to trot." Big rallies around town with the idea of raising funds to send the Henderson band, as well as the Cardette drill team to Pasadena.

ONE THING FOR SURE, Old Hankus looks for another fine grid tiff. In looking at the film of last year's game it seems incredible that Long Beach could have won by such a lopsided (28-6) score. Cameron seemed to have the ball all day and ground out over 300 yards on the ground. If they had Dick Barton, LBCC quarterback in their backfield, the score might even have been reversed.

Services Held November 19 For C. Jacques Hahn, Noted Architect

Funeral services for the well-known landscape architect, C. Jacques Hahn of 343 N. Grove St., were conducted Friday, Nov. 19, in the Vee Kirk o' the Heather by the Rev. Kenneth Harry, and interment followed in Forest Lawn.

Mr. Hahn, a resident of Sierra Madre for 35 years, was born July 24, 1904, in Havana, Ill., and died in Sierra Madre Community Hospital Nov. 17, 1965, of a sudden heart attack that same day. He is survived by two sisters, Mrs. June Martens of Djalto, Calif., and Mrs. Arletta Clarke of Oak Ridge, Tenn.

Friends of Mr. Hahn already have set in motion plans to establish a special garden as a memorial for

him at the Arboretum which he helped to establish. Other memorials already exist in the beauty which he created in Sierra Madre, as well as in the many gardens which he designed in Southern California, Arizona, Texas and Wisconsin. Mr. Hahn will be remembered for his design of Kersting Court and the outdoor amphitheater in the Sierra Madre Memorial Park, as well as the gardens of many friends, and his own extensive series of gardens which he made available each year to the Girl Scouts for their fund-raising garden tours. He also was active in the city's civic affairs, was one of the early presidents of the Garden Club, to which he regularly gave lectures, and as a member of the Sierra Madre Cemetery Association helped in the redevelopment of the city's cemetery.

Probably the outstanding achievement of Mr. Hahn's creative work was at UC's Irvine campus for which he was chosen as landscape designer to transform the barren hillsides which once had been cattle ranches. He was asked to continue as consulting landscape architect for Irvine, and for some time the university maintained a separate office in the part of his grounds here which was used for the nursery which he maintained in partnership with J. Charles Hoffman. These grounds and gardens are considered a showplace of Sierra Madre and often have been photographed and featured in leading publications. Here and there among the rare plants are priceless objects of Oriental art and statuary, and a collection of live orchids grow in bowls arranged about the room.

Friends here who mourn the unexpected loss of one of Sierra Madre's leading citizens have pointed out that perhaps the greatest and generosity for which Mr. Hahn was known may have resulted from early acquaintance with suffering. His family's hopes for a career for him as a concert pianist ended when a bout with polio affected one arm; only a few close friends were aware that he had an artificial limb due to the loss of a leg in his teens. Particular pride is taken by long-time residents in the fact that Mr. Hahn was a crusader for loyalty to the city's own merits if he would scold friends if he learned that they shopped elsewhere, and used to say that people here were really interested in one another and would give better service than outsiders.

Christmas Party By Shakespeares To Be Dec. 9

The Philanthropy Department of the Shakespeare Club, under the direction of Mrs. Marvin E. Nesbit, will hold its annual Christmas party on Thursday, Dec. 9, at Stratford House. At this time the bridge section and the sport section join together for a big day, starting with fellowship around a punch bowl, followed by luncheon and bridge, with prizes.

Co-chairmen for the day are Mrs. Harmon T. Frey and Mrs. Edwin E. Green. Among the honored guests will be Mrs. James C. Chambers, Shakespeare Club president, and Mrs. Harold D. Wiener, vice president.

Santa Claus will be prominent in the decorations with the added beauty of red and white carnations. The members are looking forward eagerly to this Christmas party.

Because of narrow streets, Sienna, Italy, has banned auto traffic in the center of town.

You and Your Neighbor . . . at Thanksgiving Time

by Mary-Madeleine Lamphier

Friends of George Seeley, 255 N. Adams St., will be glad to know that he has been moved from St. Luke Hospital to the Parkwood Convalescent Home, where he will be more accessible to his many friends.

The Jack K. Washburn family, which consists of Mike, Kenny and Marcia, freshman at PCC, all went to the Hubbard Millards at Anaheim for their Thanksgiving dinner, where they were joined by maternal grandparents, Mr. and Mrs. Clyde Zaun from Calemesa; Mrs. Washburn's brother's family, the Jack Zauns and son, Jim; and her sister and husband, Mr. and Mrs. Rupert Ranger, and son, Bob, from Glendora.

The former Cindy Eaton, now Mrs. Kent Kitterman, visited her parents, the Noren Eatons of 145 E. Alegria, with her husband and children, Kristy and Watt, who all stayed over the long holiday weekend for a real visit.

Mr. and Mrs. Richard W. Baker, 160 Webster Way, just quietly at home, which is surely wisdom for anyone connected with the coming Christmas rush.

Also at the home of Everett C. Wilcox, 1336 N. Michillinda, the presence of three children kept the day one of eagerness and enjoyment. Perhaps Stuart and Jean were persuaded to a mite of dignity by older brother Scott, now that he is a sophomore at Cal Poly.

Among the families fortunate enough to have college children at home for the Thanksgiving holiday were the Phillip E. Saurenmans of 3438 Vosburg, Pasadena. Steve Saurenman is now a senior at the University of Redlands, and his brother, Hugh, is a junior at Harvey Mudd College, Claremont. Their grandmother, Mrs. Gertrude Saurenman also was present for the family dinner.

Richard Dauben came home from Pomona, where he is a freshman, to spend the holiday weekend with his parents, the Elmer J. Daubens of 401 N. Sunnyside, his sister, Lucinda, and his maternal aunt, Miss Elaine

Russell of Los Angeles, who also was visiting. The reason older brother, Joseph, was not home was because he was with his debating team in Albuquerque. Joe, senior now at Claremont Men's College, added another honor to his family's justified pride in his activities; he was elected as president of the student body there. The Dauben family had their turkey and trimmings at the big gathering held at the home of the Draper W. Phillips of this city.

What's another country and several hundred miles to grandparents who've not seen their grandchildren for four long years too many? The senior Leo A. Elstetter have been living that long in Guaymas, Mexico, and this Thanksgiving they did get back to Sierra Madre for a visit with the family of their son, Leo A. Elstetter Jr., of 1070 Hastings Ranch Drive, whose children are Anthony, Kristen and Allison. Comments on changes observed could not be elicited at this date, however, because who could see through all that rain?

Annual Dinner By Shakespeares Mrs. Held Dec. 4

Saturday, Dec. 4, will find the Shakespeare Club Juniors and their husbands in the Los Angeles Athletic Club main dining room for their annual Christmas dinner dance.

This year's theme, "Christmas Jewel Ball," will be carried out with lavishly jeweled, various-colored epergnes centered on each table. Decorations will be designed and made by the decoration chairman, Mrs. John Carrington, and committee.

Round tables for six, eight and ten will surround the dance floor with a background of massive walnut columns and gold and white floor-to-ceiling draperies.

Entertainment chairman, Mrs. E. J. Griffin, assisted by Mrs. John Boone, Mrs. Robert Cheney and Mrs. Richard Parker, announced that cocktails will be at 7:30 with dinner served promptly at 8:30 p.m.

Music for dancing will be provided by the Gregory Boghosian orchestra. President, Mrs. Bruce Macfarlane, announced that members also may invite guests.

Fourteen million small-pox vaccinations were given in 1964 in the U.S.

LEGAL NOTICE

SIERRA MADRE NEWS
V-558-65
NOTICE OF
PUBLIC HEARING

NOTICE IS HEREBY GIVEN that pursuant to the provisions of the Code of the City of Sierra Madre, Section 9623, that the Planning Commission of the City of Sierra Madre has fixed Thursday, December 16, 1965, at the hour of 8:00 P.M. in the Council Chambers of the City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California, as the time and place for holding a public hearing on a proposed variance to reduce front yard setback to 39 feet from a requirement of approximately 68 feet for property described as Lot 20, Granite Heights Tract, and further described as 72 West Alegria Avenue.

Application and map are on file in the office of the Secretary of the Planning Commission. The application refers to Lots 20 and 21, Granite Heights Tract, requesting clarification of front yard setback requirements on both properties. The application alleges that there are special circumstances attached to said property which generally do not apply to other properties in the same district and vicinity; that the granting of a variance as aforesaid will not result in a material damage or prejudice of other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof. In that the proposed variance, if granted, would be subject to such conditions as the Planning Commission may deem necessary to assure that the spirit and purpose of said City Zoning Code will be observed, public welfare and safety secured, and substantial justice done to all parties. Interested persons may attend and be heard.

SIERRA MADRE NEWS

ORDINANCE NO. 754
AN ORDINANCE OF THE CITY OF SIERRA MADRE ADDING A NEW CHAPTER 2A TO ARTICLE IX OF THE SIERRA MADRE MUNICIPAL CODE, AND ESTABLISHING A NEW CUP ZONE, AND REZONING CERTAIN PROPERTIES WITHIN THE CITY OF SIERRA MADRE DOES ORDAIN:

SECTION 1. The City Council does hereby find and determine that the provisions hereinafter set forth in Section 2 were initiated by the City Council and Planning Commission of this City, that appropriate public hearings thereon have been held before the Planning Commission and City Council, that the provisions have received the recommendation and support of the Planning Commission, and that such enactments are necessary and appropriate for the reasons set forth in Ordinance No. 749 and preceding ordinances.

SECTION 2. A new Chapter 2A, reading as follows, is hereby adopted to Article IX of the City of Sierra Madre Municipal Code.

CHAPTER 2A OF ARTICLE IX

Section 9410. "CUP" Conditional-Use Zone
The scope of Chapter 1 is to provide safe hillside developments that will be free from the likelihood of becoming charges of, or expenses to, the City, and will provide for utility, beauty and pleasure for the inhabitants. In furtherance of these objectives it is desired to minimize erosion and flood danger both during

and after development by minimizing disturbance of the natural terrain and water courses.

Section 9410.1. Same. Use Permitted.
The following public and private uses are permitted in the "CUP" Zone:

- A. Flood control channels, spreading grounds, settling basins, and permanent open spaces.
- B. Parks, playgrounds, wild life preserves, recreation areas, and such non-habitable buildings and structures as are accessory thereto.
- C. Agricultural crop uses, provided that no dwellings, either temporary or permanent, be permitted in relation thereto; nor any on-premises sales; apiaries; grazing of livestock; propagation nurseries.
- D. Water wells, reservoirs, tanks, dams, treatment plants, gauging stations, pumping stations and any use normal and appurtenant to the obtaining, storage or distribution of water.
- E. Electric transmission substations, electric distribution stations, communication equipment buildings, microwave radio and telephone transmission facilities used in the operation of public utility functions.

Section 9410.2. Same. Use Conditional.

The following uses may be permitted in the "CUP" Zone only if the location and development are first approved by the Planning Commission as a Conditional Use as provided in Section 9410.7 hereof:

- A. Subdivisions and re-subdivision (lot splits) of land.
- B. Single family dwellings.
- C. Non-habitable structural uses (except as expressly permitted in Section 9410.1 hereof).

Section 9410.3. Same. Use Prohibited.

All uses not specifically authorized in Sections 9410.1 or conditionally authorized in 9410.2 are hereby prohibited.

Section 9410.4. Same. Development Standards.

Property used for the purposes set forth in Section 9410.2 shall be developed only in accordance with requirements specified in such Conditional Use Permit. Development standards as prescribed in Sections 9410.4-1 through 9410.4-5 shall be considered by the Planning Commission and used as a primary guide in approving or denying such Conditional Use Permit, and unless good cause can be shown otherwise, shall be obligatory. Requested deviations from such requirements shall be included in the notices required under Section 9410.7 hereof.

Section 9410.4-1. Same. Density.
The average lot density shall not exceed 2 lots per gross acre included within all of the land within the application proposed for such use.

Section 9410.4-2. Same. Open Space Maintenance Districts.

Special districts, such as park districts, lighting districts, improvement districts, and open space maintenance districts (as provided by Part 1 of Division 1 of Title 5 of the Government Code), together with appropriate dedications for public ownership, shall be provided when required by such Conditional Use Permit and may include but shall not be limited to the following: open planting and maintenance, flood control facilities, lighting, and local improvements.

Section 9410.4-3. Same. Zone Dimensions.
Except as otherwise provided in this Chapter, or in said Conditional Use Permit, all E-1 zoning regulations shall apply in the "CUP" Zone.

Section 9410.4-4. Same. Lot Dimensions.

The following lot dimensions shall apply:
A. The width of each lot shall be not less than 75 feet at the building line.
B. All lots created in this zone shall be capable of supporting 6,000 sq. ft. level pad area in addition to the peripheral slopes graded in accordance with this Chapter. For this purpose level pad area shall be defined as area not having any slope exceeding 10 percent, and shall drain to the street or be drained by other satisfactory means as approved by the City Engineer.
C. Setback on corner lots shall be the same on both street frontages.

Section 9410.4-5. Same. Excavation and Grading.

A. Earth movement, excavation, or grading shall be in accordance with the following standards:

- 1. Cut and fill slopes, measured by horizontal dimension, including only those slopes steeper than 4 horizontal to 1 vertical, shall not exceed the following percentages of the total area involved in the application (excluding pad areas):
5 Acres — 17 1/2 Percent
10 Acres — 15 Percent
20 Acres — 10 Percent
30 Acres — 7 1/2 Percent
40 Acres and over — 6 Percent

Section 9410.4-6. Same. Street Design.

A. Maximum slope of hillside streets shall not exceed 15 percent.

B. Hillside streets.

(1) Where streets or roads are so constructed that cut or fill areas are fully within the right-of-way, such streets and fill areas shall be constructed so that:

- (a) Permit the development of abutting lots as building sites; and
- (b) Protect the road and the abutting property against slides and settling.

All in a manner satisfactory to the City Engineer.

(2) For mountainous areas, or areas where there is a restricted right-of-way, the right-of-way width for through streets and cul-de-sac streets less than 350 feet in length may be reduced to 48 feet and the paved roadway width may be reduced to 28 feet. In this case, parking shall be prohibited on one side of the street as determined by the City Engineer.

(3) For steep mountainous areas where the slope is in excess of one foot vertical rise for each four feet of horizontal distance (4:1 slope) the right-of-way width for through streets and cul-de-sac streets less than 350 feet in length may be reduced to 40 feet, the paved roadway width may be reduced to 28 feet. In this case, parking shall also be so prohibited on one side of the street. All streets, as far as practicable, shall be required to be constructed in alignment with existing adjacent streets.

- (4) Cul-de-sac streets shall be permitted only where through streets are not practical and adequate. Provisions shall be made at the end of such streets for turning, by dedicating a turn-around with a curb radius of not less than 25 feet.
- (5) Concrete curbs and gutters shall be constructed on both sides of all hillside streets.
- (6) Concrete sidewalks shall be constructed on at least one side of all hillside streets.
- (7) No slope shall be allowed to encroach upon the public right-of-way.
- (8) Wherever possible, hillside streets shall be constructed in valleys, on ridges or generally parallel to the natural contours.
- (9) Where approved by the Planning Commission and the City Engineer, fire roads of 14-foot width in a 20-foot right-of-way shall be included to provide additional fire safety. No lots shall front on these fire roads.

Section 9410.4-7. Same. Parking Provisions.

Level paved off-street parking space for a minimum of four cars (including available space in a driveway, garage or car port) shall be provided for each lot. Such required parking space shall be a minimum of 9 feet by 20 feet in size.

Section 9410.4-8. Same. Utilities.

A. A water system shall be designed and constructed in accordance with City requirements and where necessary the developer shall provide and install reservoirs, pumps, and other required equipment to the extent necessary to provide such development in good engineering practice.

B. Utility lines, including but not limited to electric, communications, street lighting and cable television shall be placed underground. The subdivider is responsible for complying with the requirements of this Section and shall make the necessary arrangements with the utility companies for the installation of such facilities. For the purposes of this Section, appurtenances and associated equipment such as, but not limited to, surface mounted transformers, pedestal mounted terminal boxes and meter cabinets, and concealed ducts in an underground system may be placed above ground. The Planning Commission or City Council may waive the requirements of this Section in topographical, soil or other conditions make such underground installations unreasonable or impractical.

This section shall not apply to existing utility lines.

In case of an existing utility source, all utilities on the site for direct service or from feeder lines the use thereon shall be

installed underground except as otherwise approved by the Planning Commission. The owner or developer is responsible for complying with the requirements of this section and shall make the necessary arrangements as required by the serving utility companies for the installation of such facilities.

C. The Soils Engineer shall be responsible for submitting a report on the need for

Section 9410.5. Same. Feasibility Reports.

At the time of filing of any tentative map or development plan, each applicant shall file with the Planning Commission copies of preliminary engineering and geotechnical reports. Such preliminary reports shall be based upon inspection of the area to be developed, subdivided or re-subdivided and shall relate to the feasibility of the design shown on the map or plan.

Section 9410.6. Same. Conditional-Use Zone. Permit Criteria.

In the following the procedures set forth in Section 9410.4 shall be the process of a Conditional Use Permit in the "CUP" Zone. The Planning Commission shall determine whether the proposed development will or will not substantially increase the risk of flood, slide, subsidence, drainage run-off or other damage from the elements upon the subject property and upon adjacent and proximal properties. The Planning Commission shall include in its report a summary of its findings as a part of its official action.

Section 9410.7. Same. Procedure.

The procedures for processing or appealing a Conditional Use Permit under this Chapter shall be as set forth in Section 9480, and Part 14 of Chapter 3 of Article IX hereof, provided that if the timing provisions of the Subdivision Map Act preclude a noticed or public hearing, any subdivision, then such application shall be processed without necessity thereof.

Section 9410.8. Same. Delineation of Zone.

The regulations prescribed in this Chapter are hereby imposed on all of those areas, parcels and lands within the City lying northerly of a line described as follows:

- (A) Carter Avenue from its westerly terminus to its easterly terminus;
- (B) From the westerly terminus of Carter Avenue along an easementary prolongation of Carter Avenue to the westerly City Limits; and
- (C) From the easterly terminus of Carter Avenue thence easterly and southerly along Mira Monte and Mountain Trail to Grand View Avenue to the City Limits.

SECTION 3. Ordinance No. 749 is hereby repealed.

SECTION 4. PENALTY. Any person, firm or corporation violating this Ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not more than \$500 or by imprisonment in the City or County Jail for a period of not to exceed 6 months, or by both such fine and imprisonment.

SECTION 5. SERVABILITY. If any section, sentence clause or phrase of this Ordinance is for any reason held by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council of the City of Sierra Madre hereby declares that it would have passed this Section and each sentence, section, clause and phrase hereof irrespective of the fact that any one or more sections, sentences, clauses or phrases be declared invalid or unconstitutional.

SECTION 6. The City Clerk of the City of Sierra Madre shall certify to the passage and adoption of this Ordinance and to its approval by the Mayor and shall cause the same to be published in the Sierra Madre News, a newspaper of general circulation published and circulated in the City of Sierra Madre.

PASSED, APPROVED AND ADOPTED this 23rd day of November, 1965.

James F. Abernethy,
Mayor of the City of Sierra Madre, California

ATTEST:
L. Marie Warfel,
City Clerk of the City of Sierra Madre, California

STATE OF CALIFORNIA
COUNTY OF LOS ANGELES) ss:
CITY OF SIERRA MADRE)

I, L. MARIE WARFEL, City Clerk of the City of Sierra Madre, do hereby certify that the foregoing Ordinance, being Ordinance No. 754, was introduced at a regular meeting of the City Council of the City of Sierra Madre held on the 23rd day of October, 1965, and was duly passed, approved and signed by the Mayor and attested by the City Clerk at a regular meeting of said City Council held on the 23rd day of November, 1965, by the following vote:

AYES: King, Rule, Parks, Sorensen, Abernethy.

NOES: None.

NOTICE OF PROPOSED ZONE CLASSIFICATION

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Sierra Madre will

hold a public hearing initiated by the City Council on Thursday, December 16, 1965, in the Council Chambers of the City Hall, located at 55 West Sierra Madre Boulevard, Sierra Madre, California, for the purpose of considering a rezoning from R-1 (7,500 sq. ft. minimum) to R-1-1 (11,000 sq. ft. minimum) of the following described properties:

All of Tract 239 (Map Book 14-69), all of Tract 3426 (Map Book 37-62), and that portion of Canon Tract (Map Book 10-66) lying east of Canon Avenue, this region is bounded on the south by Grand View Avenue; on the west by Canon Avenue, the westerly boundary of Tract 239 and Sturtevant Drive; on the north by the northerly boundary of Tract 3426 and Canon Drive; and on the east by the easterly boundaries of Tract 3426 and Canon Tract.

Interested persons may attend and will be heard with respect thereto.
